

# Editorial Desk

*Greetings of the day.*

Dear Readers,

I, **Dr. Rohin Garg**, Editor-in- chief on behalf of International Journal of Medical Research Professionals (IJMRP) welcome all our readers, authors, subscribers and well-wishers. I am very please and proud at the movement to publish the first issue of IJMRP.

Our journal aims to encourage, support and provide platform for researchers, postgraduate students; medical and paramedical professionals to publish their valuable and prestigious work in this scientific medical journal from all over the world. Our journal is run by a young and dynamic team of highly qualified professionals and experts from concerned specialties in Medical and Paramedical field.

I believe that this enthusiastic team will take this journal to new heights in medical research. Our online electronic version with full text articles will be available free of charge to all members and Institutions. You can also subscribe ours print issue.

I am very thankful to **Dr. S. K. Jain**, Executive Editor for his consistent support and spirit without whom this endeavor was impossible for us. I am very grateful to **Dr. Dheeraj Saxena**, Member, Editorial Board for his active participation in the drafting of the final manuscripts. I also appreciate **Muskan Garg**, for her extensive help in preparation of the final look and design of our journal.

I am obliged and indebted to all our other very eminent and highly qualified **editorial board members, subject panel experts** and **referees** for their active participation and energetic work which makes our job smooth.

I am thankful to all the authors for contributing their valuable material and sharing their views.

I also appreciate the efforts of **Mr. Mohd. Qais and Mohd. Waseem, General Manager, Marwah Infotech** and his entire team for their extensive technical support.

**Last but not least, thanks to God..... who show me a dream and provide thousands of hands ,energy and blessing .....**

With warm regards.

**Dr. Rohin garg,  
Editor-in-chief, IJMRP.**
